Follow-up Notice on Compliance with TISI Regulation in Thailand

This is a follow-up to our notice issued in April 2026 regarding compliance with the TISI regulation in Thailand.

We are pleased to inform you that the companies listed below, which handle NISSEI products in Thailand, have obtained the required TISI certification. As a result, applicable NISSEI products are now available for purchase in Thailand.

For details regarding product availability, sales conditions, or other sales-related matters in Thailand, please contact the companies listed below.

DAIDO（THAILAND）CO.,LTD.

Web: https://daido-thai.co.th/

Precision Tools Service（Thailand）Co.,Ltd.

Web: https://www.ptsthai.com/
Web:https://www.toyo-tos.co.jp/en/corporate/network_asia.html

Vega Automation（2000）Co Ltd

Web: https://www.vegaauto.co.th/th

For an overview of the regulation and the products subject to it,
please refer to our April 2026 notice, “Notice of Compliance with TISI Regulation in Thailand.”
