

To all of our dearest customers..

NISSEI CORPORATION

Discontinuation notice for replacement orders of old brake parts.

The purpose for this communication is to inform all customers that Nissei will stop the sales of the replacement parts for the discontinued brake motor model from the date stated below. If you have any questions or concerns regarding this discontinuation, please kindly contact the GTR representative of your area. Nissei appreciates your understanding and your continued patronage.

Affected Models

Replacement brake parts for the old 0.1kW~2.2kW(1/8HP~3HP) motors for the G, H, and F series.
(Old model definition: Models produced prior to the model change in September, 1994.)

Order Cut Date

September 30th, 2007.

Nissei will accept replacement brake parts order up until the date above.
