* Products not listed above (incl. bevel gearboxes) are excluded from this change. Please contact us for details.

■ Description of Change

The red areas below (mounting surfaces) will be unpainted.

Gearhead	Mounting	Affected Area	
		Gearmotor	Gearbox
Parallel	Foot		
	Flange		
Right Angle	Foot		
	Flange		

【Appearance】

■ Implementation Schedule

Sequentially starting from November 2026 production.
(Note: Mixed lots are possible during transition.)

■ Important Notes

Photos on our promotional materials (website, product brochures) will be updated to reflect this change. Please note that the timing of these updates may not exactly coincide with the actual product transition.

■ Contact

Overseas Sales Department

Tel: +81-566-92-5312 E-mail: overseas@nissei-gtr.co.jp

Please be assured that this design change will not affect product performance.

If you have any questions, please contact the department listed above.

Thank you for your continued support.
