

Notification of Response to Dechlorane Plus

We appreciate your continued support of our business.

This notification is to inform you about our response to the substances newly added to Annex A (Elimination) of the Stockholm Convention on Persistent Organic Pollutants (POPs).

■ Products Affected

Series	Motor Power	Motor Type	Gearhead Type
Induction Gearmotor IPM Gearmotor	0.1kW to 2.2kW	W/ Brake	G3 Type H2 Type F•FA•F3 Type
Battery Powered Gearmotor	0.75kW	W/ Brake	APG Type F3 Type

■ Response Details

For the components of the products mentioned above, we will switch to components that do not contain Dechlorane Plus.

This change will not affect the general specifications, performance specifications functions, and external dimensions of the products.

■ Schedule

This change will take effect for shipments on August 4, 2025.

Note: This applies to items with MFG No. starting with the first two digits "58".
